Transportation Form

Dear ECMS Families,

All New Haven students in kindergarten and grades above are eligible for bus transportation through New Haven Public Schools (NHPS). As we prepare for next year with two school locations, it is helpful for our planning to understand families' transportation plans for their students.

Please take a moment to complete the form below and return to ECMS as soon as possible, no later than July 10th. Your completed transportation form enables us to work with NHPS to provide more efficient and reliable bus routes for all students.

Thank you in advance for completing this form.
